ABOUT ME

I'm a third-year student at PJAiT New Media Arts department.

I like to create simple-looking designs and I love to incorporate a little humour into them.

I firmly believe in the importance of art being aesthetically pleasing and I strive to live up to that expectation.

PUBLIC HEALTH - "ROWEROWANIE"

A project made to promote public health. The prompt - riding a bike. The slogan "Quick Quiet Healthy" said by the mascot on the poster and the bike making up the word "eco" (in Polish - "eko") simply, but effectively convey that meaning.

NEW ALBUM

Project based on a real album - "The horror and the wild" by The Amazing Devil. It's a reimagining based on my perception of the music.

Made using photobashing of medieval art, juxtaposed with a strong shade of yellow and a contemporary typeface.

GNIEW • KĘTUM?

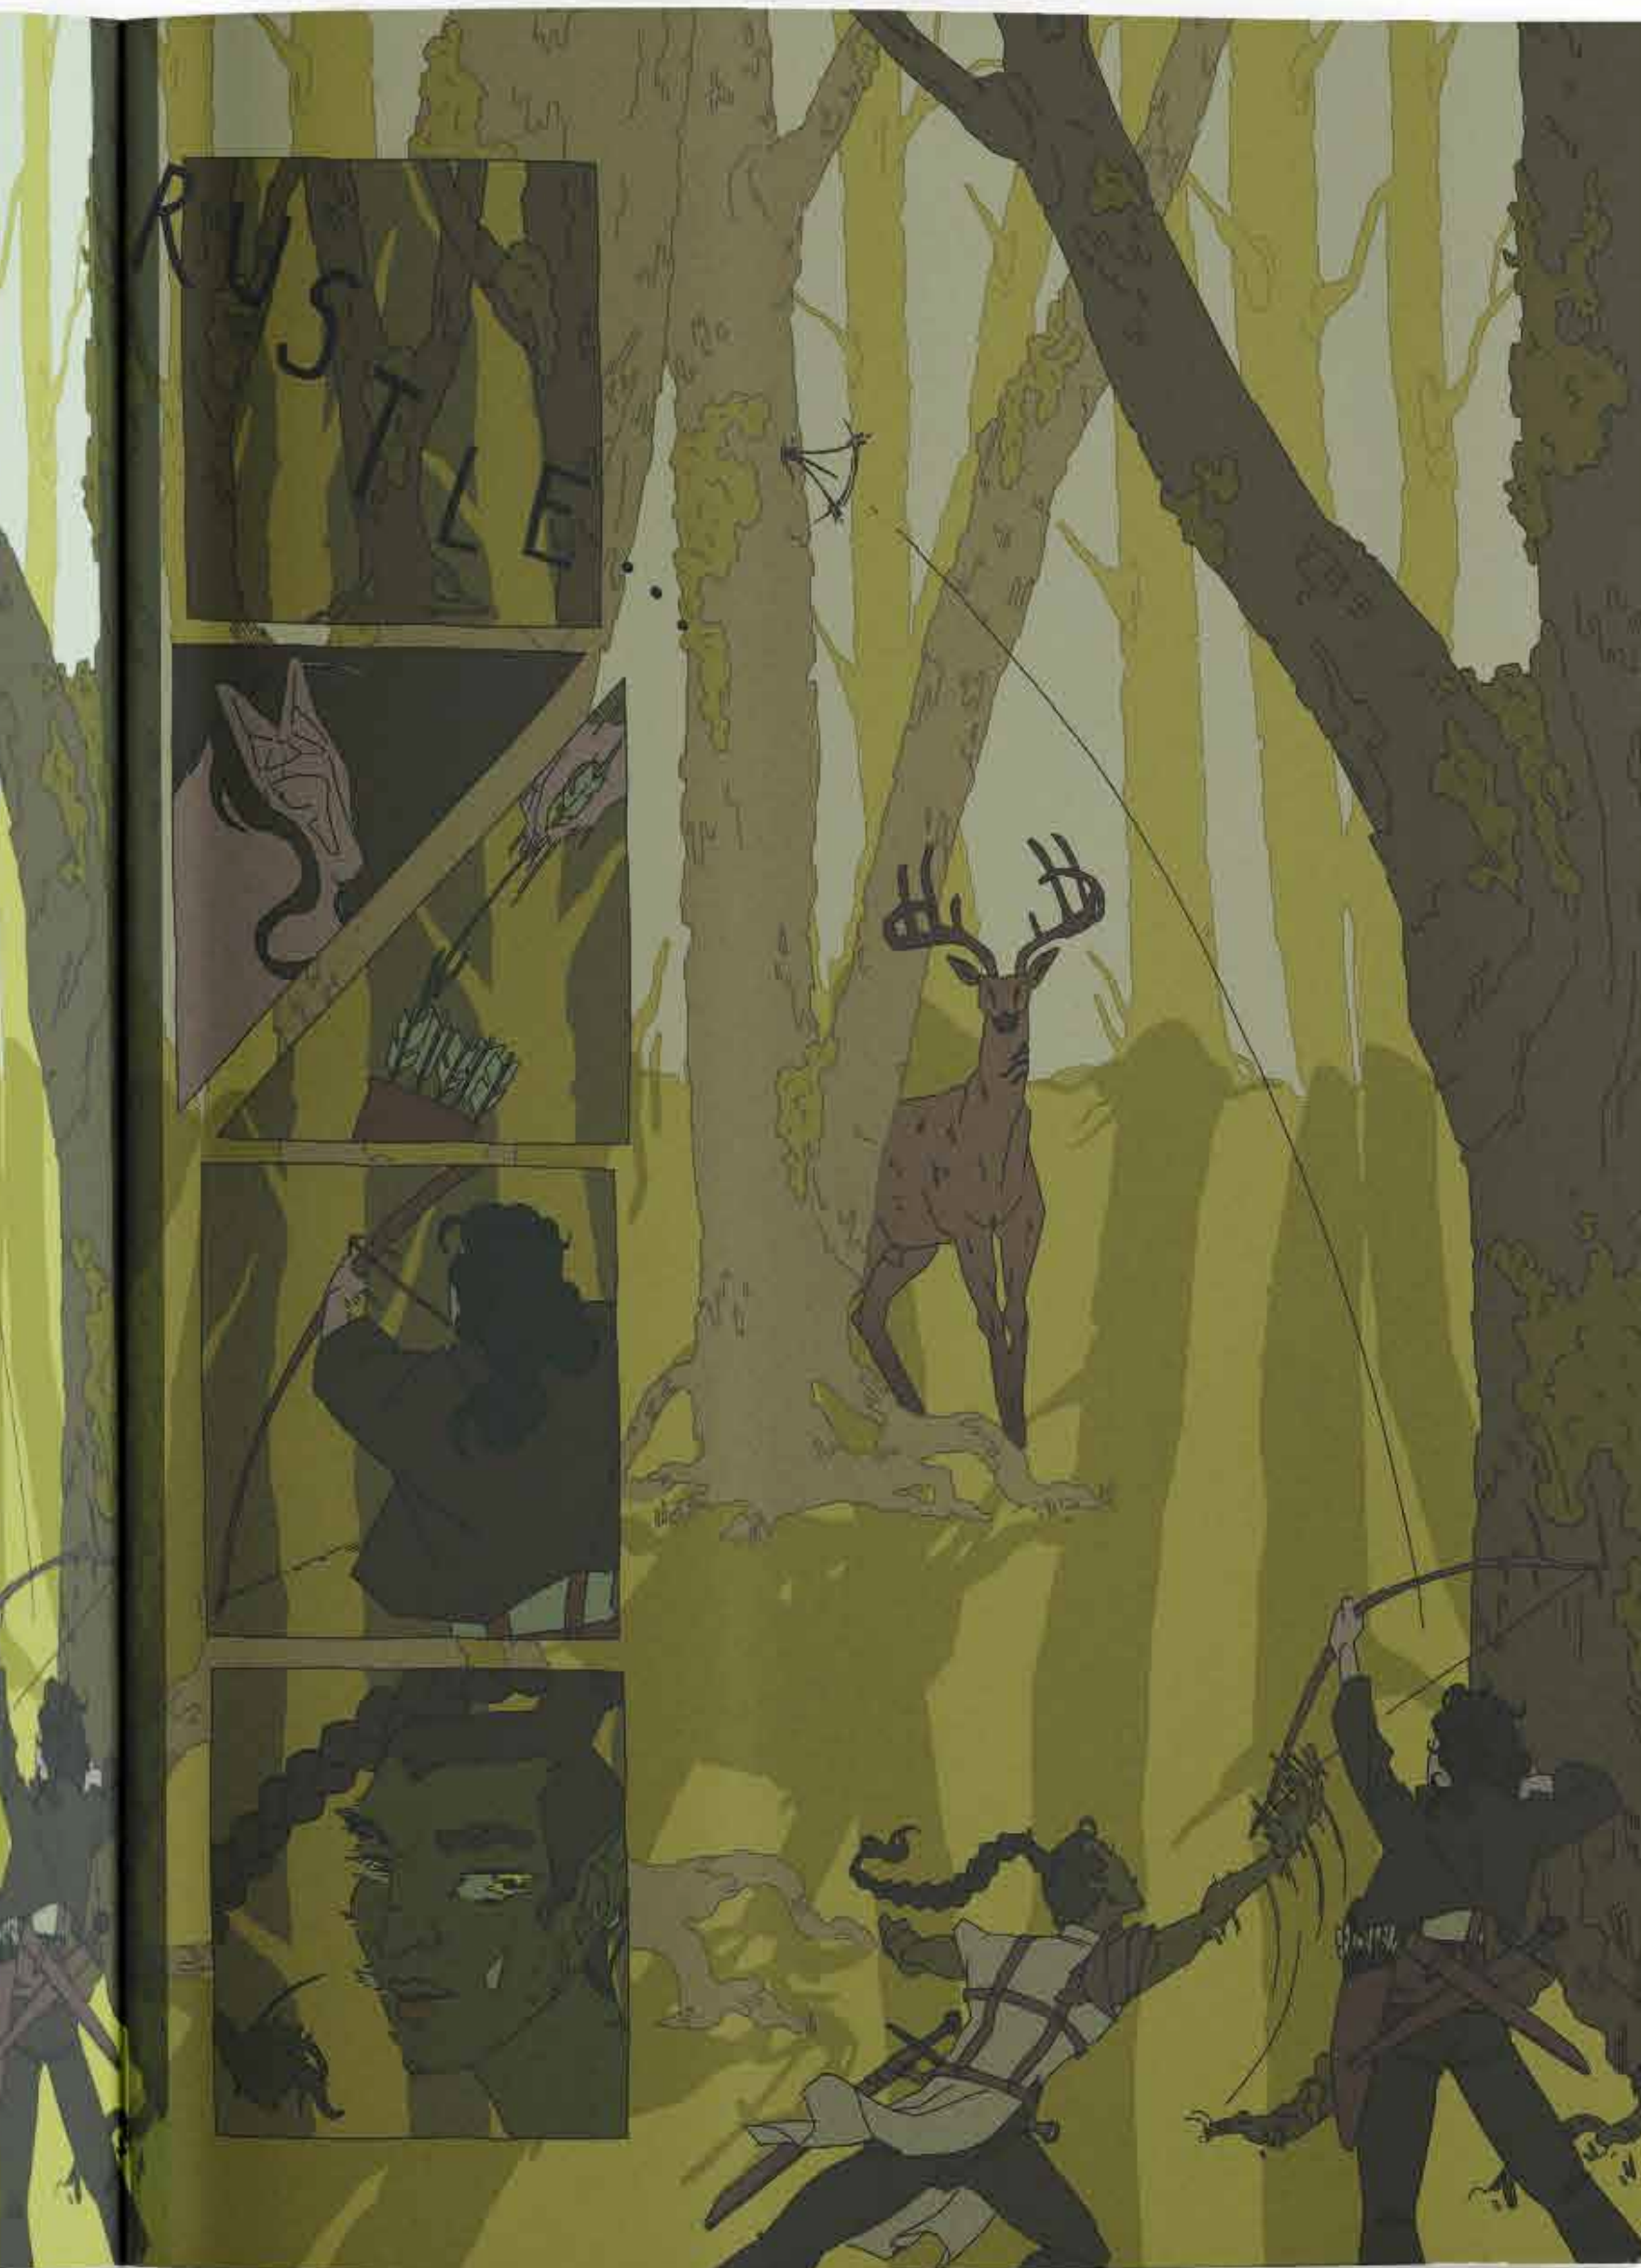

SMUTEK • WEIN?

SADNESS • ANGER

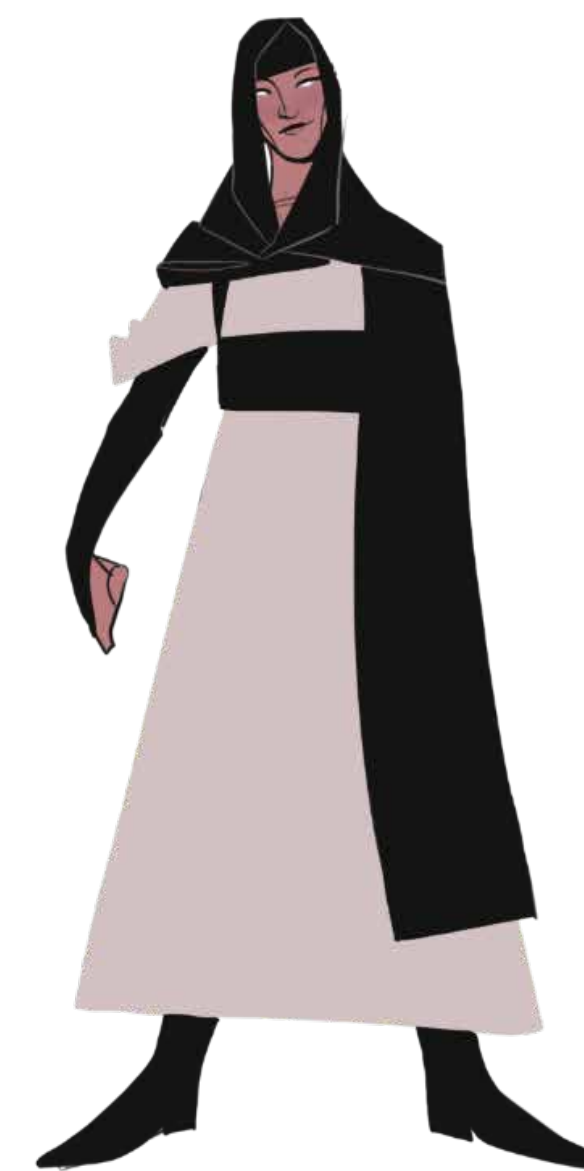

Quite a personal project on the topic of anger. I decided I couldn't talk about being angry without being sad, they're two sides of the same coin for me. And this comic is the representation of that.

RPG CHARACTER DESIGN

(bottom) These are characters designed for a fantasy RPG. A druid-warrior, a sorceress of chaos, and a cleric of life and death.

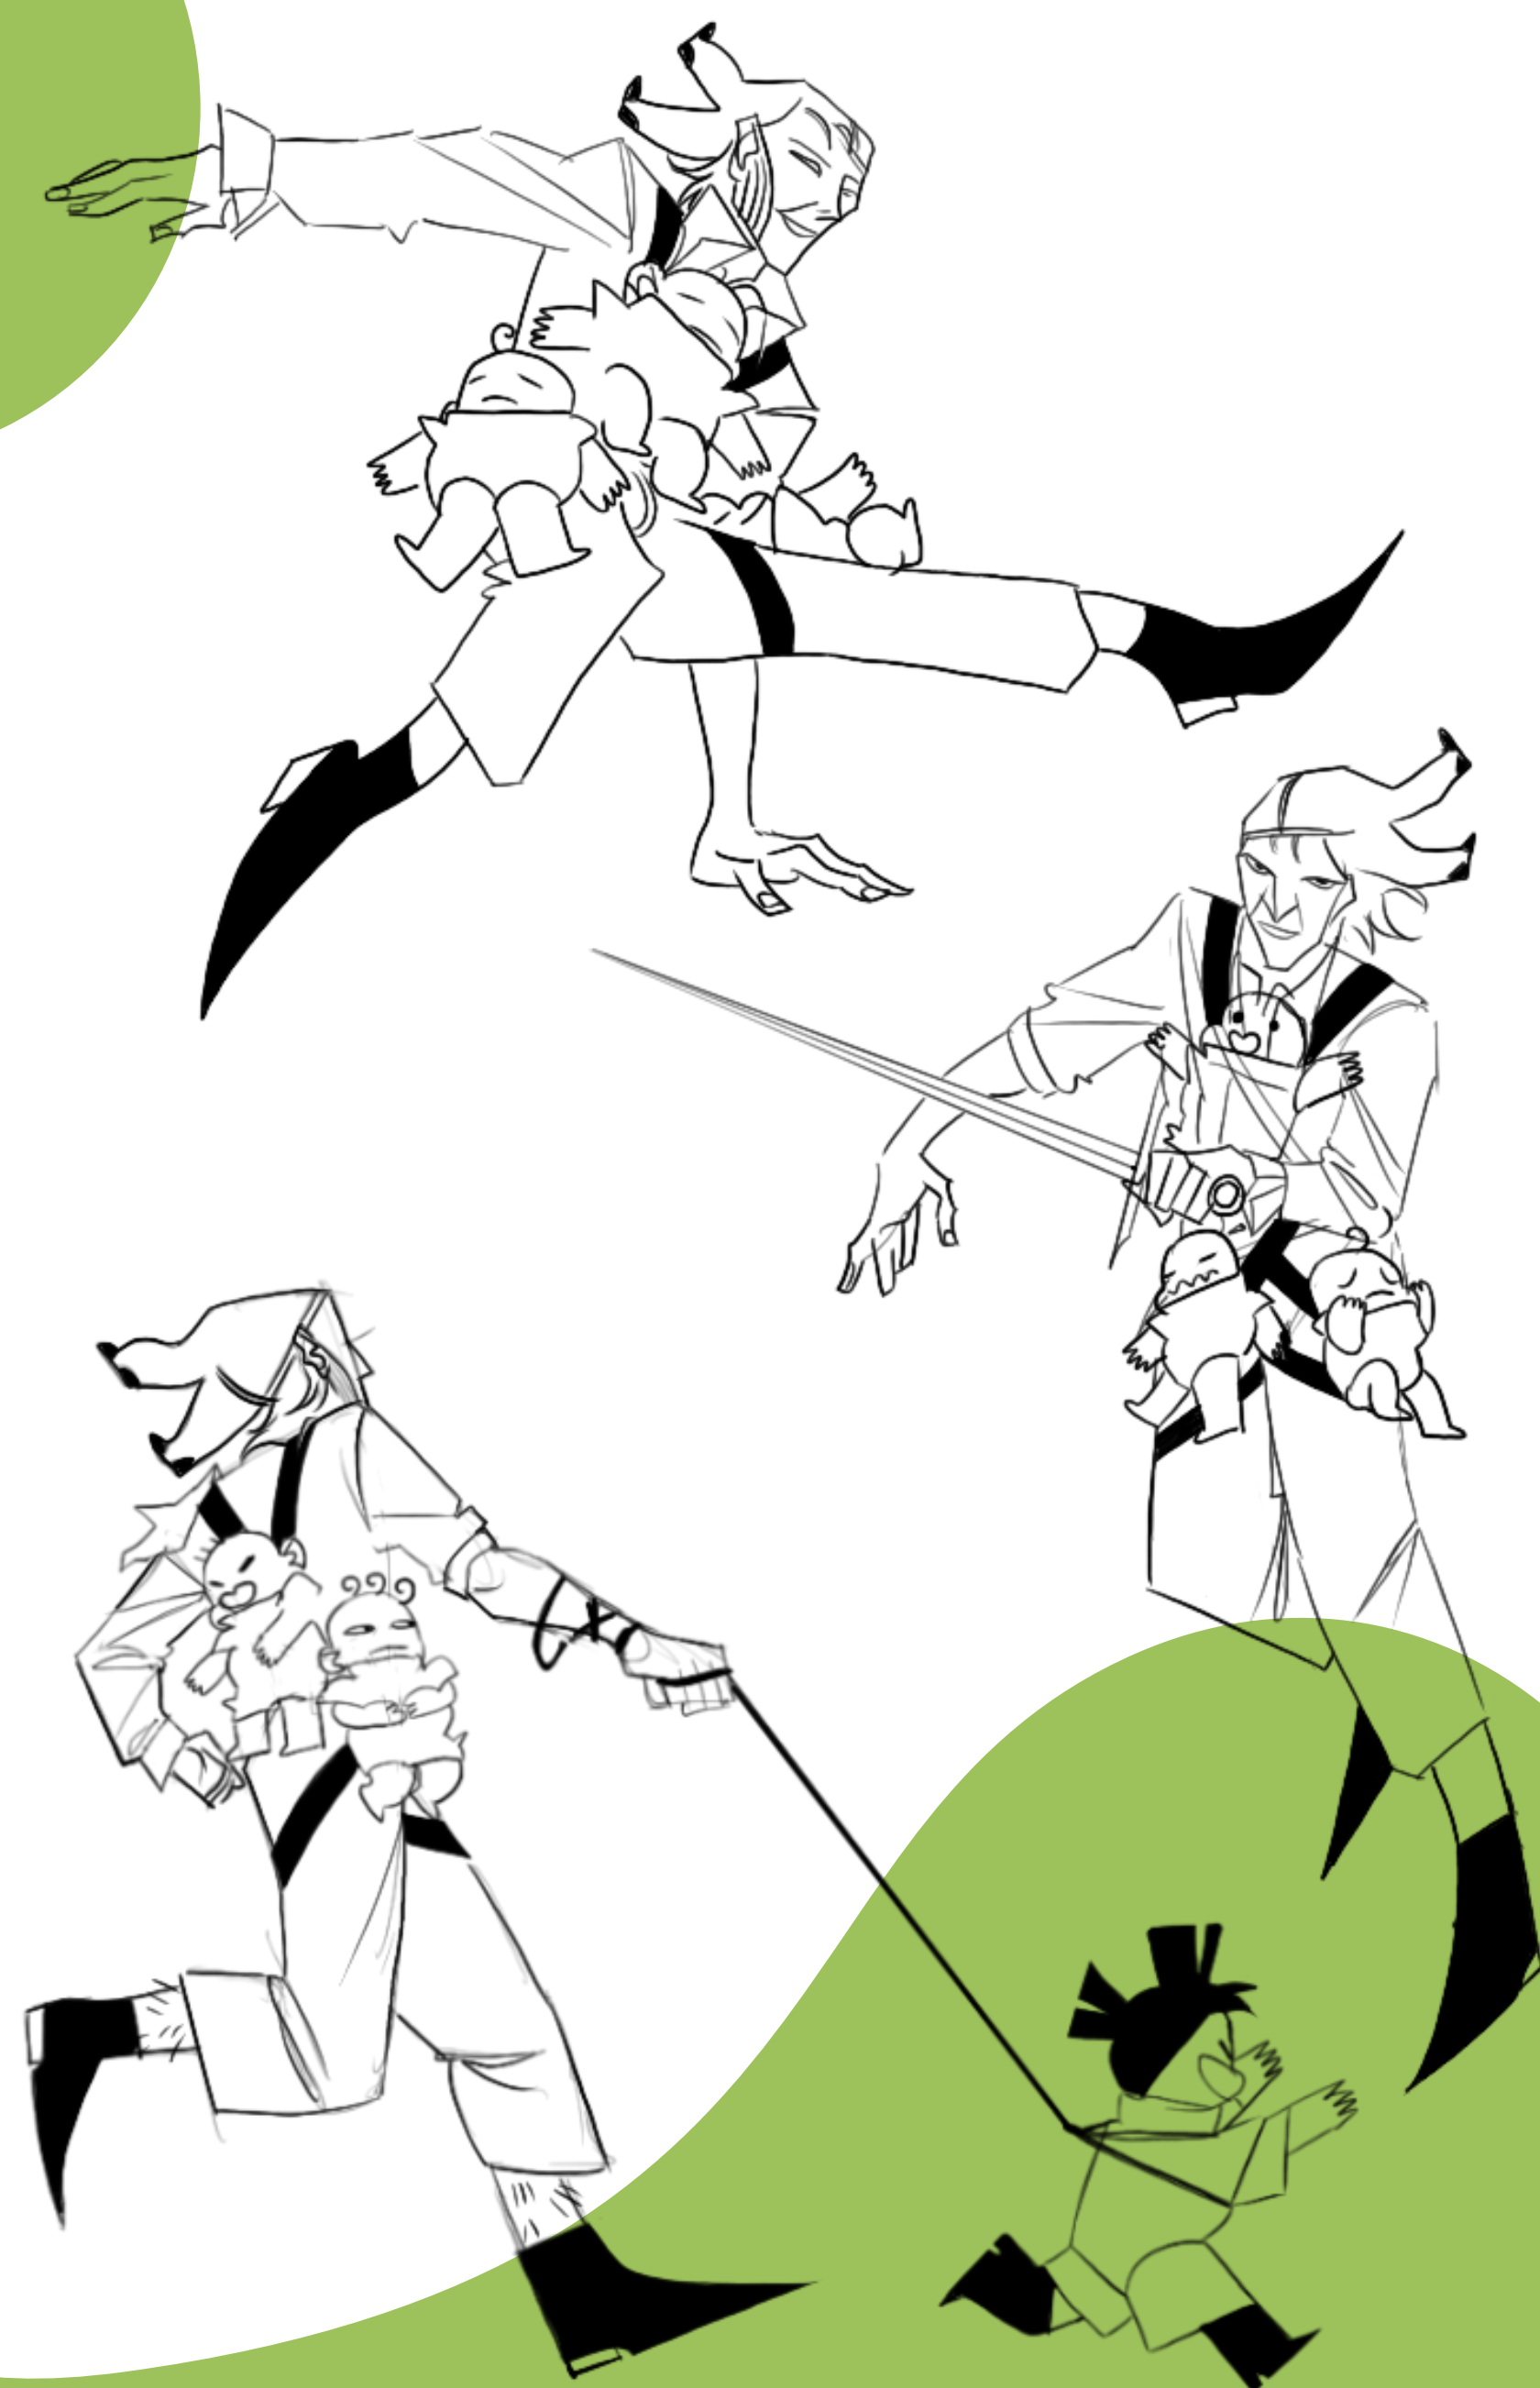

(left) A comic page set in this world with these characters.

"UNUSUAL ARMOR"

A design for a character with "unusual armor" - my choice for that was... kids.

It's a mostly retired knight who started taking care of abandoned babies he found on his adventures, in time there were so many of them that they started forming his armor.

FLAT COLORS PROJECT

A search for a uniform and visually interesting, yet fairly simple style for character illustration. This is what I settled on, flat layers, with color variation made using clipping masks to retain the harsh edges. With no outer lineart.

FROM "CRITICAL ROLL"

(Top) Percival de Rolo, an artificer, cursed by the gun of his own making

(Right), Scanlan, a carefree bard, just as lewd as he is powerful

PERSONAL

(Left) Rubin, a sweet-toothed dwarf, loyal to a fault, and just as dumb

(Right) Moria, born a tiefling, left to die for it at birth, saved by a death cleric, and raised by him

(Left) Dir, a halfling, part of a dragon cult, sworn to spread its master's dragonlings throughout the world

PHOTOGRAPHY

"PRIDE"

A cycle of photographs
I made during the 2023
Pride Parade in Warsaw
